# YOUR GUIDE *to* THE FESTIVAL

## GETTING AROUND

FISAF is an iconic open-air, family-friendly festival throughout Fremantle. Please see our map on page 24.

---

## PROGRAM

### BUSKERS

It takes a special kind of artist to entertain crowds on the streets and many of our performers have travelled across the globe to perform for you in Fremantle. If you've enjoyed their performance, put some money in the hat, this is how they make their living.

### MUSIC

There's nothing better than the sounds of live music filling the open air during the Festival. Check out this year's musical acts, be they contemporary, folk or international.

### STREET THEATRE

Theatre doesn't always need to be in a black box with curtains. Enjoy international productions performed in the open air.

### ROVING

These performers aren't static, you'll see them pop up in places all around Fremantle during the Festival. We've given you a starting point; see if you can catch them along the way.

### AUDIO DESCRIPTION

Vision impaired or blind people can enjoy selected shows via the Access All Arts audio description program. See page 18 for full details.

---

## ACCESS

Please call **1300 MY FREO (1300 693 736)**, TTY **9432 9777** or email [festivals@fremantle.wa.gov.au](mailto:festivals@fremantle.wa.gov.au) if you have any questions or to discuss your requirements. Alternate formats are available upon request. This brochure is also available online at [streetartsfestival.com.au](http://streetartsfestival.com.au)

## BE GREEN

FISAF aims to be an environmentally-friendly event.

- There are water refill stations around Fremantle. Please BYO bottle to refill; we strive to be a plastic-free festival.
- Support venues that use environmentally-friendly serving and packaging options and say no to plastic straws.
- We recommend using public transport to get to the Festival, the main performance pitches are a short walk from the Fremantle train station.

# GOOD FRIDAY

FRI  
10  
APR

SEE PAGE 26 FOR FULL PROGRAM

The Norfolk pines and the blue waters of Bathers Beach form the backdrop as the best street performers from around the world entertain you. Good Friday features shows on the Esplanade Park and our fully licenced pitch Seraphim—the Little Creatures Buskers Bar.

# THE SERAPHIM BAR

## A LITTLE CREATURES POP UP RETURNS!

Seraphim [ser-uh-fim] n. members of the highest order of angels and protectors of the Garden of Eden, often represented as a child's head with wings above, below, and on each side (like our Creature's cherub, but just a little different).

The Seraphim Bar returns, bringing the people a heavenly blend of live performance, fresh ales and Creatures creativity. Enjoy the city's festive vibes in the shadow of the brewery, as artists and street performers send our streets, bars and restaurants through the roof (or more appropriately, the clouds), for something a little different, and uniquely Fremantle.
