FREMANTLE INTERNATIONAL STREET ARTS FESTIVAL

Welcome to the 26th annual Fremantle International Street Arts Festival – Australasia’s biggest street arts festival!

Fremantle’s streets, parks and waterfront are buzzing with creativity this Easter. With more than 160 free, family-friendly performances, there’s always something to see or stumble across. Local artists share stages (or pitches—the traditional busking term) with performers from the UK, France, China, Japan, Spain, the USA, Chile and across Australia, bringing circus, theatre, music, dance and roving spectacle to every corner.

We are excited to re-activate the Fishing Boat Harbour this year, where you can witness the Australian premiere of Surcouf by France’s Cie Sacékripa. This comically absurd two-man show blends circus, humour and human moments, as performers balance on a wobbly raft over the water.

In Esplanade Park, Karla Kaartdijin by Karla Hart Productions, in collaboration with ZAP Circus, honours fire’s deep significance for Nyoongar people through dance, story, song and stunning fire artistry—a moving celebration of culture, resilience and connection to Country. Meanwhile Spain’s Osadía are ready to perform fantastical makeovers where the sculptural art of hairdressing becomes live theatre in their barber chairs.

There is so much to see and do—we are so grateful to our sponsors, supporters, performers, local businesses, and of course you—the audience—for making the festival come alive. Fremantle’s streets are your stage—explore, enjoy and soak it all in!

FREMANTLE INTERNATIONAL STREET ARTS FESTIVAL

The Western Australian Government is a proud sponsor of the Fremantle International Street Arts Festival through the Metro Events Program.

The Metro Events Program was established in 2024 to support local event holders to expand their existing events, further activating the Perth region for locals, and drawing in visitors from outside Western Australia.

In its second year, 10 events, including the Fremantle International Street Arts Festival, have been awarded funding through the Metro Events Program. The Western Australian Government is proud to sponsor these events, which help bring vibrancy to the State, give visitors a time-sensitive reason to book a trip to Western Australia, and enhance the experience of tourists in the city.

The Western Australian Government also sponsors a range of sporting, cultural, arts and culinary events across the State, as we strive to populate an exciting, diverse and world-class calendar of events that is always on, year-round.

Tourism is a key part of the Western Australian Government's plan to diversify the economy, create jobs, and develop business opportunities. Events play an important role in this plan as we strive to achieve our vision for Perth and Western Australia to be the fastest growing events destination in the South East Asia region.

We hope everyone enjoys the Fremantle International Street Arts Festival and takes the time to explore all that the Perth region has to offer.

CIE SACÉKRIPA SURCOUF

FRANCE

Two men. One boat. No room for anyone else.

On a small drifting raft—steady only if it holds—two long-time companions prepare for a show that hasn't quite begun. There are rituals, awkward adjustments, and perfectly pointless tasks. Nothing is rushed. Everything matters.

Blending circus, risk, and quiet humour, Surcouf is a tender exploration of balance—physical, emotional, existential. As the raft tips beneath them, calm surfaces give way to hidden storms. It's about holding on, leaning on each other, and staying afloat when certainty slips away. Gentle, absurd, deeply human. The water is always waiting.
